

A01 Upgrade Riverside Drive Streetscape and Gouverneur Street Gateway Signage

Description: This project proposes to implement public streetscaping elements along the portion of Riverside Drive within the NY Forward boundary, pedestrian safety improvements to the Riverside, State and Chapel Street intersection, as well as gateway signage for Gouverneur Street. The goal of this project is to improve the pedestrian and vehicular experience and promote safe connections to downtown Canton by applying complete street principles.

A02 Enhance Park Amenities in the Village Green

Description: This project aims to renovate existing and incorporate new amenities to support existing and future programs within the Village Green. Spaces within the Green will have diverse types and scales to expand potential users and extend uses through the day and seasons. This project will also augment existing tree and lawn planting with a diverse perennial and low shrub palette that will support pollinators and create a soft edge at the street while preserving its existing historic character.

B04 Nature's Storehouse Expansion: Bridging Community & Commerce on Main Street

Description: The Nature's Storehouse Expansion project will unify the properties at 19 and 21 Main Street. The expanded space will feature an enhanced deli, coffee bar, and a diverse range of health supplements and natural remedies. The expansion will also include a dedicated space for customers to sit and enjoy meals. This project also plans to renovate the upstairs apartments, creating two additional modern, comfortable, residential units.

C01 Establish a Small Project Fund

Description: This project will establish a locally managed matching fund to undertake a range of smaller downtown projects including façade enhancements, building renovation to commercial or mixed-use spaces, business assistance, and public art. Applicants to this small projects fund will be required to provide a minimum of 25% of the overall project cost as a matching contribution, leveraging private funds to achieve an even greater transformative impact in downtown Canton.
